#### ACCUSE SENATOR STEPHENSON

COMMITTEE OF LEGISLATURE ASAS SENATE TO ACT.

Yakes Charges That Money Was Imedge Report Presented to Governor.

Madison, Wis., Jan. 11.—United States bors early yesterday morning poring Senator Isaac Stephenson is charged with over what appeared to be legal papers a number of violations of the laws of in his dining room. About 8 o'clock he Wisconsin in a long statement filed with talked with somebody over the telephone. Gov. F. E. McGovern to-day by the 1909 At 9 o'clock Mrs. Virginia Schultz of State Senate Committee in its report on 237 East Twenty-sixth street called to the investigation of the primary cam- see him. There was no response to her paign and election of Senator Stephenson. knock. The janitor opened the door The committee recommends that a copy

of the report be submitted to the United bed. He left no note. The only articles States Senate and that the latter body of value in the apartment were two men's investigate Mr. Stephenson's election.

Senator Stephenson is charged with besides \$3.10. violating the statute which requires that that such violation was premeditated.

It is further charged that he violated the law which prohibits any one from contributing money to assist a candidate vented creditors from taking his furni-for the Legislature residing outside of the district in which the contributor re-

"The failure to keep required accounts and the practice of destroying original memoranda by those engaged in disbursing Stephenson's funds in the campaign make it clear that there was pre-meditation and method on the part of Stephenson and his managers to cover

Stephenson and his managers to cover up their methods of conducting the campaign. That he approved of these methods cannot be doubted.

"Those managers in plain violation of law gave considerable sums of money to Levi H. Bancroft, C. C. Wellensgard. Thomas Reynolds. John Mulder, E. A. Everett and W. L. Smith, who then were candidates for romination to the Assent andidates for nomination to the Assem-

bly.

"A large part of money distributed in the Stephenson campaign, probably a sum in excess of \$50,000, was used by

by the Legislature to the United States Senate by a majority of three votes while the charges of corruption against him were being investigated by the Legisla-

ture.
"In addition to the several acts of corruption and fraud herein referred to it should be remembered that the election of Isaac Stephenson on March 4 was made possible by three Democrats who at the instigation of the Stephenson managers and agents walked out of the joint As-sembly when it became known that their presence would prevent the election of

tion to the United States Senate. When by the French Government as architected to day that members of the committee had decided that he was guilty of having made a too free use of money in his campaign for election as Senater

Stephenson said:
The report is made by the minority HUNT FOR INDIANS AND BEARS. "The report is made by the minority of the committee, being the product of one Democrat and two progressives. The majority of the committee made its report last year and found nothing irregular in the primary or the election. The minority did not see fit to make a report at the time. I have nothing to add to the report made by the majority, which refutes the report placed before the Governor to day."

Capt. Andrew J. Gilmour, assistant surgeon, has also resigned.

## SHE LANDED HERE WITH A DIME

HARD LUCK OF A WOMAN JUST

Midnight She Struck the Only Hotel Where She Was Known to Find That It Had No Rooms - Couldn't Even Get

A St. Louis woman who reached New York on the Bluecher late night before last had no idea that many of the hotels were crowded to their utmost, and her ignorance, together with another circumstance, caused her a lot of annoyance-between half past 12 o'clock yester

It was six months ago that the visitor started out to see Europe, and she carried out her intention. In the efforshe exhausted her letter of credit, and when the Bluecher came up the bay she tipped the stewards liberally and landed capital of ten cents she started in having

In the first place the vigilant customs inspectors delved into her trunks and discovered she had more dutiable articles in her possession than the law allowed something like double as much, in fact-They said she would have to pay the Government \$60. The officials were not disposed to regard with favor a suggestion that the passenger be allowed to take the trunks and send a check for the amount due, but at length it was arranged that an expressman should pay the duty and collect the same upon delivery of the trunks at the hotel. Then the woman

As it was half an hour past midnight when she reached the hotel she found nobody in the office but the night clerk, who did not know her. She made him get out his books and showed him that she had stopped in the hotel six months she had stopped in the hotel six months before on her way to Europe. The night clerk paid the taxicab driver \$1.60, but he hadn't a single room in the house that was not taken, and he had to tell the late arrival that he could not take her in. However, he found a room for her at a hotel not far away. Her trunks came up from the pier about half an hour later and he sent the expressman around to the other hotel.

Soon after this the telephone hell range.

Soon after this the telephone bell rang.
The traveller was at the other end of the
wire. "My trunks have come, she said, "and the people here refuse to pay the \$60 due for duty. I am in a terrible fix Can you not do something?"

The night clerk of the Wolcott, after

some thinking, decided to take the risk Harvard.

grain business through Buffalo was rapidly disappearing and that the cessation of export shipment of grain from the United States would happen within the

United States would happen within the next twenty-five years.
Statistics prepared by the United States Department of Agriculture were presented to back up his belief that there was not a public necessity for the construction of another steam road to bring freight across the State. He said the new road's plans called for gross earnings of \$48,000 a mile, which is nearly five times in excess of the earnings of all but two or three of the steam roads in the country.

It is expected that the case, so far as the testimony is concerned, will be fin-ished this week.

#### NATIONAL GUARD AFFAIRS. Col. Bates Points Out Some Pernicious Features in the Steenerson Bill.

ALBANY, Jan. 11 .- That there are pernicious features in the Federal pay bil States the right to appoint National Guard officers, is the opinion of Col. William G. Bates of the Seventy-first Infantry, New York, expressed to the National Guard Association at the opening of its thirty-third annual convention here to-night. Col. Bates is president of the association. In his opening address he pointed out obnoxious features of the pointed out obnoxious features of the analysis of the water that was being served to Schenk and had it analyzed at the Johns Hopkins University in Baltimore and at the University of Virginia. It was found to contain arsenic in large proportion. "When I first examined Mr. Schenk," said Dr. Hupp, "I suspected that he was suffering from some sort of lead poison-ing, but I was never absolutely certain that he had been poisoned until I got a report of the analysis of the years and the University in Baltimore and at the University in Baltimore and at the University of Virginia. It was found to contain arsenic in large proportion. "When I first examined Mr. Schenk," said Dr. Hupp, "I suspected that he was suffering from some sort of lead poison-ing, but I was never absolutely certain that he had been poisoned until I got a report of the analysis of the variety of Virginia.

he pointed out obnoxious features of the proposed federal statute, urged the abolition of the militia council created by the Legislature of 1908 and recommended that the appointive system be the only system for selecting officers in this State. He said in conclusion that while he is personally opposed to changing the terms of enlistment of guardsmen, he feels that the sentiment and feelings of a majority of the officers favors a reduction from five to three years. He urged the association to adopt a resolution calling for such a change in the military law. of the officers favors a reduction from five to three years. He urged the association to adopt a resolution calling for such a change in the military law.

The association will have a business meeting to-morrow, elect officers, and have a banquet to-morrow night at the favorable for the preceding day.

To-morrow morning Dr. J. Edward Burns, who assisted Dr. Hupp in diagnosting the poison symptoms, and Dr. John T. Thornton, who made three tests of Schenk's blood, will testify. By Dr. Thornton, who made three tests of Schenk's blood, and the preceding the poison symptoms and Dr. John T. ### NOT A POINT FOR MRS. SCHENK

CROSS-EXAMINATION FAILS TO SHAKE STATE WITNESS.

Hupp Stands by His Direct Testimony That Nothing But Arsenie Could Have Produced the Symptoms That Were Present in Her Husband's Illness.

WHEELING, W. Va., Jan. 11.-Dr. Frank Moyne Hupp, the State's medical expert, was on the stand all day to-day under cross-examination in the trial of Mrs. Laura Farnsworth Schenk, accused of poisoning her husband, John O. Schenk.

At the conclusion of the cross-examination Dr. Hupp's story, as told on direct examination, was unshaken, the defence having failed to gain a point.

Mr. O'Brien tried to establish by Dr Hupp that John Schenk's illness could have been caused otherwise than by the At the afternoon session the New York Central road continued to defend before the commission its record as to transportation of shipments in cases where complaints had been entered against it.

Another witness was former State Engineer Frank M. Williams, who testified that the capacity of the barge canal now being built in this State would be theoretically 21,400,000 tons; but actually he did not believe it would be able to accommodate more than 15,000,000 tons yearly.

have been caused otherwise than by the administration of arsenic or acetate of lead. It was brought out at different times that Dr. Hupp had prescribed hyomel-quinine, which contained arsenic, digitalis and nitroglycerin, all of which would have the effect of causing abnormal heart action, which was a feature of Schenk's illness, but the witness said that none of these drugs was prescribed in sufficient quantity to produce the symptoms of arsenic procedure. symptoms of arsenic poisoning shown by Schenk

Throughout the day Mrs. Schenk sat beside her counsel apparently unconcerned, and she seemed to have regained her confidence. Frequently she would suggest to her attorneys questions to be asked of the witness.

Dr. Hupp is the physician who attended Mr. Schenk and who first discovered the for the National Guard, introduced by symptoms of arsenic and lead poisoning Representative Steenerson, in that it which later caused the arrest of Mrs. would give to the Secretary of War in-Schenk. After discovering the symptoms stead of to the Governors of the various Dr. Hupp got a sample of the drinking States the right to appoint National water that was being served to Schenk

Thornton the State expects to prove that the arsenic prescribed for Schenk by Dr. Hupp could not have caused the increased heart action, abdominal pains, constipa tion, violent vomiting and restlessness from which he suffered. The chemists who analyzed the water

will then be called and if possible Miss Kline, a detective nurse, who was em-ployed to watch Mrs. Schenk, will testify By the nurse the State expects to prove that Mrs. Schenk offered her \$1,000 to give her husband a pill containing enough

DALY BUILDING LEASING. weller Alleged to Have Shipped Bits of Pifth Avenue Property Unused for Two Years Finds a Tenant.

Marcus Daly has leased to a business x supposed to contain thirteen dia- concern for a long term of years the propa six story buildin and adjoins the residence of Miss Helen Gould at the north-J. H. Lepsch, a prominent jeweller of east corner of Forty-seventh street. It Ridgway, was arrested by post office was said that Howard & Co., jewellers inspectors on December 16 on a charge at the southwest corner of Fifth avenue lease, but this was denied. This report gained credit because of the fact that vesterday the Howard Building was leased by Frank D. Vailler to Theodore D. Starr by Frank D. Vailler to Theodore D. Starr for twenty-one years at an aggregate rental of \$1.700,000. The Howard Building is eleven stories high and is owned by Michael Dreicar and Ralph L. Shainwald. Mr. Starr is now in Fifth avenue between Twenty-fifth and Twenty-sixth streets. The Daly Building was erected about two years ago, but has never been rented. It is 39 feet wide and 100 feet deep and has been held at \$40,000 a year. It is said the lease is for twenty-one years with two renewal privileges of twenty-one years each.

house declare they found only tissue paper when the box was opened and that the outer covering of the box had not been day, two years being for an attempt he

and have the legal business of their departments looked after by the Attorney-General's department. Gov. Dix to-night declared his belief that with few exceptions the legal work of the State departments and offices should be done under the supervision of the Attorney-General, who would assign regular deputies to the work. This plan will result in a large saving to the State.

Gov. Dix was asked if the reported discovery of the Attorney-General, but the strength-giving properties that are so necessary to them. It oversaving to the State.

Gov. Dix was asked if the reported discovery of the Attorney-General was a curative agent. During this time it has brought the blessings of health to overworked men, delicate women, and sickly children, who find in it the strength-giving properties that are so necessary to them. It oversaving to the State.

Gov. Dix was asked if the reported discovery of the Attorney-General was a curative agent. During this time it has brought the blessings of health to overworked men, delicate women, and sickly children, who find in it the strength-giving properties that are so necessary to them. It oversaving to the State. Gov. Dix was asked if the reported declaration of Leader Charles F. Murphy in favor of the candidacy of William F. Sheehan for the United States Senatorship changed his own attitude and he said it did not. The Governor is taking no position on the matter in favor of or against any candidate.
